

## Have You Got a Good Head for Radio?

2SSR – FM ‘Sound of the Shire’ is the Sutherland Shire’s community radio station operated entirely by volunteers.

Community Radio gives the listener an alternative to existing media.

So we broadcast and present:

- Diverse and specialty music programs
- Local musicians, artists & performances
- Local news & current affairs
- Sporting information
- Information on local community services and events
- Service announcements for non profit groups and so on.....

We are currently looking for enthusiastic and committed members of the community who would like to join our band of trained and accredited presenters on 2SSR to present programs

Weekdays: Various time slots

- \* Lifestyle programs
- \* Current Affairs
- \* Modern Contemporary
- \* Magazine - Interview/Music Mix
- \* Focus on Youth

*To this end 2SSR hold Screening Sessions, a pre-requisite for enrolment in the Training Course.*

*During the Screening Session we show you the workings of the radio station. You are then invited into our sound studio and provided with three written scripts that you read, in order for us to assess your voice quality for minimum standards in reading and diction.*

*At the end of the session you will be advised whether you have met these standards and if so can enrol in the next available Training Course.*

*So if you have an interest in presenting a program in any of the above formats or have some other ideas of programs that would suit the diverse range offered by 2SSR community radio, then contact the Station by phoning or emailing us and we will get back to you with more details.*

*If you are a good communicator, have an interest in music, sports, the arts, lifestyle, business, the environment, writing and or local news - then we would also love to hear from you.*

*Age Group? ALL AGES - you're not too young OR too old - contact us NOW.*

### **SPECIAL NOTE**

*There are many other ways you can be involved in the station too so if you're interested in working in radio, contact our friendly 2SSR-FM team and make arrangements to come visit us and find out more .....*

Phone: 9545 1800 - 9.00 am to 3.30 pm Monday to Friday
